

Instant Ticket Vending Machines

Q: What are Instant Ticket Vending Machines (ITVMs)?

- Self-service vending machines
- Customers can use to purchase Florida Lottery Scratch-Off tickets, choosing from 24 bins
- To operate, money is inserted and a button is pushed to select desired instant ticket.

Instant Ticket Vending Machines

Q: What are some of the key ITVMs Advantages?

- Player convenience
- User friendly and secure.
- Better ticket accounting
- Bins each hold up to three books of tickets keeping retailers from having to replace the inventory as often.
- Deterring underage play - Machines have a remote-controlled “kill switch” designed to prevent underage sales.
- Compulsive gambling message – All machines display the “800” number, 1-888-Admit-It, to the Florida Council on Compulsive Gambling.
- Scrolling LED messaging on top which can be used for a variety of consumer awareness and in-store messages.
